

SPEAKING • Unit 1

Work in pairs. Choose a symbol each (X or O) to use during the game. Take it in turns to choose a square on a grid. Make a sentence about you when you were younger, using the phrase in the square and *used to*. Then, ask your partner if he / she used to do this thing in the past. Place your X or O symbol on this square if your sentence was correct. The winner is the first person to make a line of four squares down ↓, across → or diagonally ↘.
